#### TODAY: REBUILDING MY HEART – Part 2

Mission of Living Destiny Church: to discover, develop, and deploy godly, kingdom-minded leaders and disciples of Jesus Christ.

To rebuild your heart the right way, the first ingredient is the Word of God. Second is a growing and accepting Kingdom-mindset.

- You are not what others say you are.
- You are not what your life situations have defined you to be.
- The work of heart transformation is moving from who you have believed yourself to be to who God has made you to be.

#### **REVELATION 1:4-6**

- Redemption from sin by Christ leads to being part of a Kingdom.
- **1 PETER 2:9-10**
- The power of prayer is that it is a supernatural exchange between spirits.
- Meditate on His Word until it becomes your default thinking. Until then, keep meditating.

#### **ECCLECIASTES 8:3-6**

- Verse 4
- Verses 3 and 6
  - He is King and He shows up WHENEVER He wants and is ready.
  - **PROVERBS 19:21** – Many are the plans of a man
  - Many people get caught is here because we ask: “When do I get what I want?”
    - Answer: **JEREMIAH 17:9-10**
    - My joy comes from advancing His mission, not in getting what I want.

### MY CONTENTMENT COMES FROM PLEASING AND SERVING GOD

- Settle that in your heart otherwise you will always be in contention with God because you are trying to get what you believe you need, deserve or have a right to.
- You were brought into a Kingdom, not a democracy. THERE IS NO VOTING HERE.
- We all sound like the KING!

**SUMMARY POINT: BALANCING KINGSHIP AND SONSHIP**

- I am a child of God with authority, but I am not the King.
- My authority comes from Him; I don't get to build my own kingdom.
- Things in the Kingdom only work when it agrees with His will and command.
- Do not forget how you came into the Kingdom of God – and now trying to impose your ideas and desires. We struggle because we want to redefine:
  - The meaning of marriage. Husband die, wife submit.
  - The meaning of money. Serve God with it, don't serve it.
  - The meaning of love. Not a feeling, but an action.
- I am excited to serve the King because the alternative was death and eternal separation.
  - I worship and surrender because I am thrilled and excited in the safety and peace, I find in being in God's kingdom.
