TODAY'S MESSAGE: FIXING THE ERRORS IN MY FOUNDATION – PART 3

ROMANS 7:21-23 – Another law, another kingdom, another dominion!

MARK 3:24

- We have difficulty overcoming sin, because we accept a sinner/sin-consciousness. We expect to sin, so it is not uncomfortable or uncommon for us to sin.
- When we accept the righteousness of God and received the judgement of Christ that we are Declared Righteous, sinning becomes a violation of our nature, will make us uncomfortable and we will no longer desire or defend it.

ILLUSTRATION: If I rescued a homeless child, living on the street and acting out, bring them into my home, change their clothes, nice bath, haircut, feed them, and send them on their way, are they still homeless? YES.

What if after all that cleansing and feeding, I adopt them, change their name, and make them my child. When they go back in the streets to play, or sometimes get in trouble, are they still homeless? NO. **ROMANS 8:14-17, JOHN 8:34-36, JOHN 1:12**

Are you a sinner or an heir of God? A son or a slave? Sinner or a co-heir with Christ? Sinner or royal priesthood? In darkness or in light? **1 PETER 2:9-10, 16; ROMANS 6:18.**

IMPLICATION

A sin-consciousness gives us the right to beat people up, because we have made them the problem, not sin. What you diagnose as the problem will determine your solution.

Before Christ, God destroyed sin and the sinner together.

After Christ, God destroyed sin and gave an invitation to adopt the sinner.

If the sinner, refuses to accept the invitation of adoption/salvation, he will die in his sin.

QUICK SUMMARY

- Verified that there is an error in the foundation – biblically and from personal experience.
- Identified the source of the error as sin, **AND SELF-RIGHTEOUSNESS.**
