

THE ONE WHO LIVES BY FAITH

COVENANT OF THANKSGIVING...Celebrate Jesus!

ROMANS 1:17

[HABAKKUK 2:4, GALATIANS 3:11, HEBREWS 10:38]

WHO ARE THE JUST?

- Just = Declared righteous. It is a state of being, not a qualification.
- **2 CORINTHIANS 5:21**
- **GALATIANS 6:10** – household of faith
- **JOHN 1:12**

THE ONE WHO LIVES BY FAITH IS:

- Born of God
- Declared Righteous
- Walk in a realm beyond what is seen.
- Is governed by the Laws of the Spirit, not the laws of humanity.
- Clothed in simplicity, humility, and complete trust in God.

To live by faith, you will look irrational

- Not understood by man does not mean it is reckless. It must still be a word of God.
- Don't conclude that the more extreme it is, then it is more God.
 - Wisdom comes with age...not true. Sometimes age comes by itself.

UNRIGHTEOUSNESS/ STILL GUILTY/ NOT JUST

- No matter how good a person is, they are still not righteous without Christ.
- Without Christ's [legal sacrifice], man does not retake his seat in the Seat of Dominions.
- Without Christ man is lost and sentenced to eternal separation from God.
- That was not the original intent and plan of God. **ROMANS 5:8, 17**
- What looks like confidence is simply hope, an aggressive pursuit of empty rewards from an empty heart.

RIGHTEOUS/ NOT GUILTY/ JUST

- DEITY – GOD
 - Omniscient
 - Omnipresent
 - Immutable

1 CORINTHIANS 6:17

– To live by faith, we must understand what makes us like God.

- DIVINITY

- **1 CORINTHIANS 3:3**

- **GENESIS 1:25-28** – The original state of man before he fell.

1. If we continue in sin our life becomes conflicted: having the right to divinity but bound by humanity.

- **1 JOHN 4:15-17**

YOU ARE CALLED TO:

- Walk in dominion
- Manifest the power of God
- Make an unseen god seen and known in the earth

You are not just someone trying to hope and pray and wish it works:

- You are one spirit with God.
- Stay in Christ so you can walk in your Divinity
