

SIMPLIFY AND SANCTIFY

COVENANT OF THANKSGIVING...Celebrate Jesus!

JEREMIAH 18:1-6

- God has introduced you to a greater dimension of Himself than you've ever seen.
- You can tell, and I can tell, that there is a new level of understanding or appreciation for God.
- With this new level comes a dismantling of the old person. He is making you into another.

EXODUS 1:5-10

- The enemy strikes when he begins to see the making of greatness. A preemptive strike.
- He strikes while you are in the middle of being formed – finances, relationships, mind, etc.
- It's disorienting because you know it's God forming, but you can feel the enemy shaking.

PROPHETIC DECLARATION

EXODUS 1:12; 12:37

- You will keep flourishing in Jesus' name.
- The more the enemy attacks, the more you are refined and the stronger you become.
- Even under attack, your seventy becomes innumerable, in Jesus' name.

- **PSALM 18:29**

WHAT GOD IS DOING

- Following the law and rules is easier than walking in love – the more excellent way.
- If you love me, obey my commandments. But obedience is not the only evidence of love – there is patience, kindness, etc.
- Therefore, beyond your obedience and adherence to standards and rules, God begins to stretch your heart and love capacity.
- He does this with His remaking of the vessel, AND with the attacks of the enemy.

- **PSALM 119:71**
