

THE MAN DIMENSION OF GENEROSITY – Part 4

COVENANT OF THANKSGIVING...Celebrate Jesus!

MATTHEW 10:40-41

GALATIANS 6:7

MARK 4:24

2 CORINTHIANS 9:6-

- The level, heart, and honor behind your giving will determine what dimension of the man, or of God, shows up.
- For every dimension of a man or spirit you seek, there is requisite sacrifice or action needed to draw it out.

PROVERBS 20:5

ILLUSTRATION: SELF

- I am a husband, brother, father, friend, pastor, coach, etc. – the part of me you sacrifice for determines what you will get back.
 - Each level of me has a different level of giving that provokes its manifestation.

ILLUSTRATION: A VISIT TO THE WOODWORKER

- If I want a table made, the cost will be money.
 - That is the seller part of him.
- If I want a special table designed, the cost is time and money.
 - That is the designer part of him.
- If I want to learn how he works, the cost is time, money, and discipline.
 - That is the mentor part of him.
- If I want to inherit the business, the cost is sonship.
 - That is the father part of him.

Many are throwing their minimum sacrifice to God, expecting to inherit the kingdom.

The pain of generosity comes from giving your all to someone who does not intend to or is unwilling to do the same.

For every dimension of power with God, He requires a level of giving from you.

5 SACRIFICIAL GIFTS THAT PROVOKE THE GREATER DIMENSIONS

CONCLUSION

- Everybody TAKES. You, be a giver.
- When a man or spirit is convinced that you are sincerely willing to give your all, you will see their full manifestation.
- The greater your giving, the greater the response.
 - If the more you give of yourself, the less they give back of themselves, I guarantee you:
 - It's not God.
 - It is not a covenant.
 - The person is not in sync with God.

MARK 10:28-30

PRAYER: Lord, increase my giving capacity.
