MATTHEW 16:24-26

- Jesus destroyed the power of sin and the sin nature by dying in His flesh – we take that power and follow His example. Not for eternal salvation but to fix the error in our foundations.
- Decide that this sin is wrong, offends God and is not acceptable in your life.
- Get trustworthy accountability
- Ask the Holy Spirit this hard question: Why do I keep doing, protecting, and defending this error. Meditate, take notes, listen.
